WINES

2021 SYRAH

ABOUT THE VINEYARD

Weets Family Vineyard is located on the southern slope of the Rattlesnake Hills in the Yakima Valley, which is part of the larger Columbia Valley. The elevation is about 1,200 ft. with a semi-arid climate and about 300 beautiful days of sunshine. There are 20 acres of wine grapes including Merlot, Cab Franc, Syrah, Cab Sauv and Grenache.

TASTING NOTES:

Handpicked for the best selection of fruit then fermented for gentle extraction of color, tannins and fruit flavors. With an eye towards minimal handling, the wine is moved into barrel by gravity after pressing and vintaged over for 18 months before bottling to allow the expression of the wine to come into its own. This wine has plum, dark cherry, black currant and warm winter spices on the nose with subtle notes of black licorice, plum and blackberry on the palate with a rich, long finish.

Pairing Suggestions: Grilled lamb chops, vegetable kabobs, ribeye steaks and Mediterranean style cuisine.

VARIETAL: Syrah
