WINES

2022 GSM

VINEYARDS:

This wine is made from a blend of fruit from three vineyards in the Horse Heaven Hills AVA of the Columbia Valley in Washington. Each vineyard brings its unique flavor to this traditional Rhone style wine, creating a harmonious blend of rich dark fruit flavors. All of the fruit was hand harvested to select the best quality grapes to make this special wine.

TASTING NOTES:

Each grape variety was fermented, pressed and barreled separately before being blended into tank prior to bottling to achieve the perfect balance. Enjoy aromas of blackberries, dried strawberries, red licorice, plums and black cherries. The palate has soft tannins and bright acidity with flavors of dried plums, anise and blackberry pie. Serve with grilled sausages (bangers and mash is a favorite), grilled lamb, charcuterie, and barbeque.
