2023 ROSÉ OF GRENACHE

MCKINLEY SPRINGS VINEYARD:

This vineyard is located near Yakima, WA in the Horse Heaven Hills AVA of the Columbia Valley. It's a large vineyard that was planted in the 1980s by Robert Andrews, and is now owned by his son and his son's brother-in-law. The vineyard produces red wines with fruity aromas and great structure.

TASTING NOTES:

This rosé was picked in early September and to keep its fresh fruit aromas it was fermented and aged in stainless steel up until bottling. It has notes of guava and nectarines on the nose with juicy tangerine and strawberries on the palate with hints of grapefruit on the finish. Its ripe fruit flavors are balanced with its lingering acidity. Enjoy with salty snacks, creamy cheeses and prosciutto with melon.

VARIETAL: Grenache

VINEYARD: McKinley Springs Vineyard

AVA: Columbia Valley/Washington

ALCOHOL: 14.0%

CASES PRODUCED: 96
